

WE SUPPORT A HEALTHY LIFESTYLE

KGH Group Sp. z o.o is a producer and distributor of natural fruit juices as well as fruit and vegetable smoothies under the brand name GREAT in addition to high quality aloe vera drinks, coconut water and lemonades under the brand name QUEENCY.

We provide products made from natural ingredients rich in vitamins and micronutrients, without added sugars, preservatives, artificial additives or artificial colouring. Our company's main priorities are making sure that our products are of the highest quality and that our customers that value a healthy lifestyle are satisfied.

KGH Group actively monitors the juice and beverages market, conducts research in accredited laboratories, cooperates with scientists, dieticians and food technologists as well as the Association of the National Union of Juice Producers.

QEENCY

The QEENCY brand also offers:

Sparkling lemonades with the addition of natural fruit juices and aloe vera. Our lemonades are produced from carbonated water and 20% natural juices and aloe vera.

Available in a variety of flavours in 275ml bottles.

QEENCY

The GREAT brand offers various flavor variants of juices, made from NFC juice – not from concentrate. The natural composition and combination of micro- and macronutrients as well as vitamins makes them healthy, and the amount of vitamins supplied to the body is comparable to that available in the whole fruit.

Available in two sizes of 300ml and 750ml, and different flavor variants.

We offer Slavic kvass, which is made from fermented rye flour, water and sugar. The kvass is available in two flavors; light and dark. Traditional light kvass has a delicate rye taste and a bright golden color. Dark kvass is made from dark rye malt, has a deeper flavor and aroma and a dark caramel color.

Available in 1000 ml and 1500 ml PET bottle sizes, and 500 ml cans.

*2 different flavours to chose from
– start your day with some healthy energy!*
